Carolyn is not your average wedding planner. She carries all the characteristics of the best. She's punctual, organized, and focused. Above all she is a warm and caring person. I felt as though this was not a duty for her, but an opportunity to build a relationship with me.

I was comfortable with Carolyn from the start and safe knowing that everything would be under her control. Our wedding turned out beautiful and flawless. We received so many compliments on the romantic ambiance and the smooth transitions that took place during our wedding. From the moment we arrived, to the very last minute we were there, Carolyn made sure that everything was seamless.

We take no credit for the success of this wedding, but our salutes go to Carolyn for making this day special and unforgettable. I found a great coordinator and a dear friend.
